Building Of Three Schools Eyed

Stressing they don't have time to sit and wait, Canyon School Board members Tuesday night decided to meet with an Amarillo architect at their first May meeting to begin plans for construction of as many as three schools for the district.

Supt. Jerry Jacobs told school board members his "best guess" concerning new school needs for the district indicate "we're probably going to need a new elementary school, middle school and high school all at the same time."

Citing figures which indicate the district's current schools are already popping at the seams, Jacobs said the situation can only expect to become more crowded with growth as it is projected in the district.

Board members decided to meet with the Amarillo architect on May 7 to begin plans and discussion on the schools.

"There's no time to waste, actually," Board President Tom Keeling said.

"There's no time to waste at least on preliminaries and so forth," Jacobs echoed, noting that it could take as much as two years from start to finish to construct a new school.

He suggested plans be formulated prior to the time the school district must call a bond election for the construction to cut off some time which might be needed.

Rapidly growing developments north of Canyon and in South Amarillo, both within the Canyon district, spurred the need for the new schools, the board members agreed.

Jacobs also proposed that Canyon existing schools be reorganized to put to full use the new school or schools he hopes will be built.

He said the administrative staff of the system recommends that when the new schools are in operation the grade structure of the schools be changed.

His recommendation was that grades k-5 attend the elementary schools, that grades 6, 7 and 8 attend a middle school (now a junior high) and that grades 9, 10, 11 and 12 attend high school.

This would reduce enrollment at over-crowded Rex Reeves Elementary School, he said, and would reduce the over-crowding in Gene Howe School.

Based on current enrollment figures, the new approach would leave the junior high population static but would increase the high school population.

Jacobs said figures compiled from the last three school years indicate the most growth in the local school system has been in students in grades 5, 6, 7, 8 and 9.

He speculated that due to the cost of housing in the two main school district developments, the families which might purchase the housing might have children older than early elementary school age.

"My best guess is that if these developments go — and I have no reason to think they won't — plus a lot of other smaller developments, it's very likely we'll need an elementary, middle school and high school."

Jacobs said initial enrollment capacity of the high school and junior high might be 500 to 600 students with additional construction to come later.

He predicted that if growth continues as it has and picks up as expected, the new schools will be definitely needed as soon as they are constructed.

On the heels of discussion concerning new construction needs, board members heard Jacobs report on the status of next year's budget, a budget which will demand more expenditures.

Jacobs briefly summarized several problems now presenting themselves in the budget procedure, including teacher pay raises, the new minimum wage law and cost-of-living raises.

He said initial figures indicate about $70,000 in additional revenues can be expected for the next year.

"And, that won't do it," said Keeling.

"We don't feel it will," Jacobs said.

In other business, Glenn Odell a developer in South Amarillo, presented a petition asking that 150 acres of his land be annexed into the Amarillo School District from the Canyon district.

Odell presented his petition to the County Board of School Trustees last week.

The petition is signed by five families.

Several residents of Odell's development appeared at the board meeting Tuesday.

The board accepted the petition for further legal study.

A previous petition presented by Odell was said by local attorney Elton Cox to be illegal.

Keeling was re-elected president of the board and Ed Wieck was re-elected as vice president. Richard Pruett was re-elected as secretary and Roscoe Richardson was re-elected as assistant secretary.

The board heard an hour-long proposal from representatives of Honeywell for an annual maintenance program for all the school district heating and air conditioning equipment.

The program would cost $37,000 annually.

Complex Cost Estimated At $1.6 Million

Architects told Canyon city commissioners Monday night they estimate the cost of a new civic center complex for the city could be about $1.6 million.

Commissioners appeared pleased with the estimates prepared by representatives of HD&R of Dallas and Omaha.

They will spend the next three weeks going over detailed and final plans and specifications for construction of the civic center complex and make a final decision on what to build at their regularly scheduled meeting May 6.

Mayor Manly Bryan suggested an election, called recently when commissioners accepted a resolution presented in petition form concerning construction of the complex, be called for June 1 or after.

Commissioners will wait until after the election returns are in to go out for bids from area contractors for construction of the complex or any part of the complex. That means contracts could be let in early July.

HD&R Representative Jay Bannister said if contracts are signed in July the commission might expect to add another 1.5 per cent to the cost estimate he presented Monday night.

Bannister's figures, which he said are based on a well established economic index, indicate construction of the city office building portion of the complex could cost $1,190,088. That figure includes all items except furnishings.

"It's remarkably low how many furnishings we'll be putting in this building," City Manager George Loudder told The News.

While city commissioners in previous sessions have indicated they will probably build only the office building, cost estimates for construction of a new community center were also presented. Bannister estimates that cost to be $242,515.

Total construction costs for both buildings are estimated at $1,432,603.

Although the city has already paid some architect's fees, Bannister's estimate includes the full fee of $99,422. A total of $71,630 he estimated for use in a contingency fund.

Bannister told commissioners the price estimates are based on a item-by-item cost survey of materials to go into the new buildings.

"You all realize the only way to know the cost is to take the bids on it," he said.

The cost estimate for construction of the city office building was about $80,000 higher than previous estimates.

"It's not too far off," Commissioner J. Pat Stephens told The News. "It's a little high but inflation accounts for that. It's still in the ball park as far as I'm concerned."

The city office building plans and specifications call for inclusion of a city library, police department, fire department, administrative offices and commission chambers.

The community center would include meeting rooms for various groups.

In other business Monday night, commissioners renewed a contract with LaGrone Ambulance Service to provide that care for city residents. Cost to the city for the service is $10,000 per year.

H.R. Fulton Jr., re-elected recently to the commission, was re-elected Monday as mayor protem.

Commissioners passed a resolution joining a consortium of cities and counties for a newly enacted comprehensive manpower program.

Loudder told commissioners the new federal manpower act does not provide funding for towns with populations under 100,000 but the formation of the consortium will allow Canyon to receive funds allocated through the program.

They also considered a preliminary plat recently approved by the city's planning and zoning commission for the Hunsley Hills addition.

Of particular concern to commissioners was the property platted for the development which lies within the flood plain area.

Loudder said Developer A.W. Lair has been told the city will require that he fill those areas another 18 inches before building permits will be issued for housing construction in those areas.

Commissioners approved the use of plastic pipe in plumbing construction for city buildings. Previously, the city had required the use of metal pipe, but Loudder recommended the change due to a shortage of metal pipe for construction.

Commissioners also approved requiring homeowners in areas

(See CIVIC, Page 7)

Pharmacy Burglarized; Many Narcotics Taken

For the second time in a month, Byrd Pharmacy of Canyon was burglarized early Wednesday and a massive amount of narcotics were taken.

Police suspect the same burglars who broke into the pharmacy on March 9 were involved in the Wednesday morning burglary of the store.

No watches, jewelry and only a small amount of cash was taken in the burglary, but the burglars concentrated mainly on hauling off in a trash can two dozen bottles of hard narcotics.

A police spokesman said Officer Mike Engle discovered the burglary about 1:58 a.m. Wednesday as he was driving down 4th Avenue.

The officer thought he saw someone emerge from the back door of the pharmacy, turned around and headed down the alley.

When he arrived he discovered the back window of the pharmacy had been completely broken out. The avenue of entry for the Wednesday burglars was a repetition of the avenue used by the burglars who hit on March 9.

Other officers were called to the scene but could find no suspects.

Engle's report said the main activity of the burglary was centered on the pharmacy section of the store. About $60 in cash was taken from a rear cash register.

The police spokesman said the burglars apparently knew what they were after. They carefully selected many drugs classified as hard narcotics. They did not attempt to open the pharmacy safe.

Twenty-four bottles of such drugs as nembutol, a strong narcotic, were taken.

Store owner J.D. Byrd said he would value the drug loss at between $200 and $300.

He said the burglars also took two bottles — one full and one almost empty — of an anahistimine.

"I don't know what they want with that," he said.

A police spokesman said the investigation is continuing with several good leads. The police feel the same persons who pulled the March 9 burglary are involved in the Wednesday robbery.

Advances, Raises Seen For Profs

While there may be fewer faculty members employed at West Texas State University next year due to tight funding, at least some of the remaining faculty will receive promotions and merit raises after a one-year moratorium.

Dr. Ray Malzahn, vice president for academic affairs, said Tuesday that several committees will be at work through the remainder of this month to compile recommendations for promotions, a tenure and merit raises for approval in early May by the board of regents.

Due to a tight current budget, promotions and merit raises for this academic year were suspended although all faculty members received a cost-of-living raise.

Tenure was also not awarded this academic year due to a decision by regents last summer to allow new President Lloyd I. Watkins to review the tenure policy.

Committees worked throughout the year to formulate new policies for merit raises as well as promotions and tenure.

Dr. Malzahn said there will be promotions next fall and accompanying raises as well as some merit raises for in-grade professors.

Three committees will review recommendations for promotion and merit raises — one at departmental level, one at college or school level and one at the university-wide level.

Malzahn met Monday afternoon with Watkins and Financial Vice

(See PROFS, Page 7)

Large Sorghum Crop Foreseen

With the probable loss of a large percentage of this year's wheat crop to bugs, wind and drought, Randall County farmers may plant a larger than usual crop of grain sorghum this summer, County Agent John Brazzil said this week.

"There will be a large acreage of land for summer crops and the decision has not yet been made whether to go with large acreages of grain sorghum or whether to fallow out the land," Brazzil said.

"If we get some good rains and some moisture we could have a big acreage of dryland grain sorghum planted," he said. "But, you never know."

Local Agricultural Conservation and Stabilization Service officials have said a good portion of the county's working farms have filed for abandonment of drought-ridden wheat and more are expected to do so before harvest this summer.

The early loss of the wheat would release the acres either for planting in dryland grain sorghum or to lie fallow.

The sorghum crop in the county will not be planted until early summer.

Already some activity is seen in the fields as farmers prepare for planting of summer crops.

Brazzil said sugar beets, which represent a small acreage here, are the only crop to yet be planted for the summer season.

Planting is expected to begin

(See CROP, Page 7)

OPERATION FACELIFT received a bonus of donations at a meeting of the representative committee members Tuesday morning with Mrs. Lloyd I. Watkins, left, representing the committee as she receives donation checks from Mrs. J. Manly Bryan of Chi Omega Alumnae for $75.00; from Col. John Childs of Canyon Chamber of Commerce for $100.00; and Mrs. Charles Smallwood of University Study Club for $25.00.

Historic Court Case Held Here

A historic case alleging psychological abuse of an 8-year-old Amarillo boy was expected to end with jury deliberations Wednesday afternoon in 47th District Court here.

The case, a civil action brought by the Texas Department of Public Welfare against the parents of the boy, is believed to be the first case in Texas under the new family code to allege psychological rather than physical abuse.

Dist. Atty. George Dowlen who represents the welfare department, said he's been told the case is also the first in the state's history brought against parents solely on the basis of psychological rather than physical abuse.

The trial began Monday in Canyon and Dowlen said it was the first case to be brought before a jury concerning an allegedly dependent and neglected child in at least 10 years.

The state welfare department seeks custody of the child, who is now in the Amarillo psychiatric pavilion.

The child was adopted by Charles and Eleanor Peterson several years ago. Since that time, the Petersons have been divorced.

Dowlen's case centers around allegations that Mrs. Peterson has caused the psychological abuse of the child.

Various witnesses took the stand Monday and Tuesday for the petitioner's case, including Mrs. Peterson, Peterson, a child welfare worker and a man who testified he'd been harassed by Mrs. Peterson.

Further testimony was due Wednesday morning in the case.

Dowlen said the case differs from other similar cases brought by his office for the child welfare agency in that physical abuse of the child was not alleged.

"Ordinarily what happens is some citizen becomes alarmed at what they feel is potential abuse of a child," he said. "Then, they report that to some law enforcement agency who turns it over to child welfare."

The agency then conducts an investigation into the allegation, he said, "and frequently determines there is no abuse, that the people were misinformed or incorrect about the status of the child."

In a large percentage of the cases investigated, he said, the department finds no abuse of the children.

If, however, the department feels there is danger for the child or children, Dowlen's office is contacted to file a petition seeking custody of the children.

An initial hearing is conducted and if the court agrees with the department, the child is given the department on a temporary basis.

A further investigation is conducted by the department and a final hearing is held to determine further custody of the child.

Meanwhile, Dowlen said, the department will work with parents and child to try to improve the relationship and hopefully to return the child to his family.

"If they feel the situation is bad enough that the child should be taken from the parents either permanently or for some particular period of time, there is a formal hearing before a district judge," Dowlen said. The judge will appoint a guardian for the child, or a jury trial can be had.

Grand Jury Sees No Brutality; Sheriff Is Pleased With Report

Randall County Sheriff Cliff Longest said Monday afternoon he was pleased with a grand jury report delivered earlier in the day which removed a cloud of suspicion from the circumstances surrounding the alleged beating of a West Texas State University football player.

"I think it was an excellent report," Longest said.

Longest had requested the grand jury investigate the action of two of his deputies and a highway patrolman on the night of March 8 when the alleged beating took place.

"I didn't see any other way for it to come out," he said of his request. And, he said that following his own personal investigation of the incident he didn't see how the grand jury could find other than it did Monday morning.

Grand jurors spent three hours on seven cases and the incident investigation. They called to testify Deputies Reedy McDonald and Roger Winieger and Highway Patrolman Mike Coy as well as University Policeman Lee Morgan.

Shortly after noon Monday, they handed their written report to 47th Dist. Court Judge E.E. "Gene" Jordan.

The report reads:

"On the night of March 8, 1974, after a week of intensive trouble on the campus of West Texas State University ending with a threat for a sniper to enter the campus, Randall County Sheriff's Department and Texas Highway Patrolmen were requested to assist with Campus Security.

"The Randall County Grand Jury interviewed a highway patrolman, a campus security policeman, the sheriff and two Randall County deputies. After intensive questioning it was found that no 'brutality' was used in trying to subdue a student, who was resisting arrest. No evidence was presented that showed a blow being struck after handcuffing the student, nor was he ever thrown to the ground for 'stomping,' regardless of television and newspaper reports.

"The grand jury commends the work of all law enforcement officers on the night of March 8, 1974, when tremendous pressure was being exerted.

"This grand jury would like to commend the District Attorney, his staff, and the law enforcement officers for their diligence in maintaining law and order in Randall County."

The incident investigated occurred when a

Why do some nice people have a great fear of being impolite if they terminate a telephone conversation after everything has been said?

by Troy Martin FROM THE CANYON RIM

I feel for the Hearst family.

I know they must hope against hope that their daughter, Patricia, did not voluntarily participate in Monday's bank robbery in California.

There were rumors from the beginning that Pat Hearst was in league with the Symbionese Liberation Army.

Three weeks after the reported kidnapping I talked to a Chicago shrimp broker who said he knows members of the Hearst family. He said some members of the family already had grave doubts about the authenticity of the kidnapping reports.

I blame the Hearsts and the FBI for dealing with the SLA in a manner which would give them quasi-legality. For them there should be no Geneva Conventions. For them there are no rules of war.

If indeed they are at war with the United States, they are traitors and guerillas and should not be afforded a civil trial. As conductors of guerilla warfare they are entitled to a military court martial.

If they are found guilty they are due the ancient fate of the lawless terrorist.

Against the backdrop of dealings with them by the Hearsts and representatives of our federal government, they undoubtedly will ask to be treated as prisoners of war if they are ultimately captured.

In the meantime, my sympathy goes out to the Hearst family.

"How sharper than a serpent's tooth is to raise a thankless child," was well said by the bard of Avon.

* * *

Frank McGee is dead. He was the star of the Today Show on NBC. I watch it every morning. I understand Frank was in great pain but he worked right up until the last and his audience and some of his close associates never even knew it.

I feel a keen personal loss. His was an intimate, reasonable voice in a sea of electronic babble. He was my favorite TV newsman and I felt a kinship with him.

I never knew him personally, of course, but I lost a good friend with the passing of Frank McGee at age 52.

* * *

I saw the Exorcist Friday night.

I think it is not nearly what the publicity claims. I considered $3 a ticket a rip off and I don't mind saying so.

I did not find the Exorcist interesting, terrifying or educational.

I found it revolting and vulgar. Its claim to the notoriety it enjoys has to be based on sickening excretia, filthy four-letter words from the mouth of a child and of course, on the excellent work of well-paid publicity people.

Canyon Girls Enter District Track Meet

Canyon High School girls track team will compete Friday, April 19 in the district track meet to be held at the WTSU track. Preliminary events will begin at 10:30 a.m. Finals will be run at 2 p.m.

There will be 15 varsity girls and 18 junior varsity girls representing Canyon. The junior varsity will be composed of ninth grade girls.

Other schools competing will be Borger, Pampa, Plainview, Hereford, Dumas and Perryton.

WTSU Tennis Team Plays Final Home Match

West Texas State's powerful Buffalo tennis team will play its final home matches of the season Friday in the West Texas State University Team Matches.

Coach David Kent's Buffaloes will take a 15-3 season record into Friday's 9 a.m. match with New Mexico State University. The Buffaloes face strong Oklahoma City University at 2 p.m. that same day. Both matches are scheduled for the West Texas State Courts.

In other matches Friday, Oklahoma City meets Texas Tech at 9 a.m. at the Amarillo Tennis Center and New Mexico State plays Texas Tech at 2 p.m. in Amarillo.

Oklahoma City faces New Mexico State at 9 a.m. Saturday at West Texas State in the only match slated that day. West Texas and Texas Tech do not meet during the two-day event.

The Buffaloes have a pair of wins over New Mexico State this season, beating the Aggies 5-1 at the Texas Tech Team Matches and defeating them 8-1 in the New Mexico State Indoor Championships.

The big match of Friday's play will be the 2 p.m. test between OCU and West Texas. In a pair of meetings this year the teams are even in wins at one each. OCU edged West Texas, 5-4, early in the year at the Corpus Christi Tournament. The Buffaloes captured the OCU tourney last weekend with an impressive 6-3 victory over OCU.

In Saturday's match with OCU the Buffaloes captured all three singles matches after the event was tied 3-3 in singles.

Kent called the victory over OCU one of the top wins by a Buffalo team in the school's history.

The Buffaloes feature a balance of experience and youth. The squad's three seniors hold down the top three singles position, while the three freshmen are playing in the numbers four, five and six positions.

Bill Marsh, the number one player, has a 10-8 season record. Dale Corbin from Wichita Falls is 14-4 in the number two position and John Phillips of Snyder is 9-5 as the number three player.

The three freshmen — Steve Johnson of Reno, Nev., Brett Hall of Houston and San Angelo's Jay Goss — have a combined 45-6 singles record. Johnson is 14-4, Hall 15-0 and Goss 16-2. Goss has 14 of his wins in a row.

In doubles Johnson has teamed with Marsh for a 12-4 record. Phillips and Corbin are 11-2 in the number two position, while Goss and Hall are 9-3.

Spring Practice Starts Again

West Texas State University's football squad returned to practice Tuesday after taking off nine days because of the school's spring break.

The Buffaloes reported to practice in better physical condition than when they departed as several injuries had time to heal.

Head coach Gene Mayfield set a scrimmage session for 7:30 p.m. Friday in Borger to show his club to fans in that part of the Panhandle area. The Borger High School Fellowship of Christian Athletes Chapter will sell tickets for the scrimmage at $1 for adults and 50 cents for students. Profits from the game will go to that FCA chapter.

Mayfield and his staff will work the Buffaloes until the final spring game, which is slated for Friday evening, April 26, in Frank Kimbrough Memorial Stadium.

Among the players who returned to practice Tuesday after missing at least some workouts with injuries were running backs Jimmy Lisle, Ricky Rice and John Paul Lee, offensive tackles Jeff Lloyd and John Jacobi, defensive tackle Tony Gorman and defensive ends Jeff Nunn and Bob Johnson.

Lisle had been hampered by a pulled muscle and had missed all of spring drills prior to the break, while the remainder of the players saw at least some action in early practice sessions. Lisle is the leading ground gainer from the 1973 season.

While Lisle, Rice and Lee were out of practice, veterans Rick Schleider and Mickey Matthews and 1972 freshman letterman Eddie Richardson carried the load at the running back positions. Fullback Johnny Darden also filled in at one of the halfback berths at times. Richardson missed the 1973 season due to an off-season boating injury to his shoulder.

Darden, who started most of the 1973 season, is battling at the fullback post with veteran Clois Burgess and red-shirt Garvin McCarrell.

Services Set For Mrs. Combs

Mrs. Josie Atkins Combs, age 99, died at the Medical Center in Big Spring, Tex. Sunday night at 6 p.m. Mrs. Combs was a former resident of Canyon. She moved to Big Spring in 1965.

She was born at Little Elm in Denton County, Tex. on March 7, 1875. She was a member of the First Baptist Church and had been very active in church work. She was also a charter member of the Mothers-in-law Club and a member of the Pioneer Club.

She married T.R.R. Atkins at Kellar, Tex. in 1897. They moved to the Panhandle in 1904 and settled on farm and ranch areas carved out of the XIT Ranch. They assisted in organizing the Palo Duro Baptist Church and in establishing the Fairview School near Hereford. They moved to Canyon in 1913 to be close to the Normal School which is now WTSU.

Mr. Atkins died in 1924. In 1942, she married George Bill Combs who was a farmer and rancher in Deaf Smith County. He preceded her in death in 1962.

Funeral services were Wednesday afternoon at 2 p.m. Dr. Strauss Atkinson, area missionary for the Caprock area, will officiate. Burial will be in Dreamland Cemetery.

Pallbearers will be Newton Crain, Roy Cheatham, Bill Sternenberg, Aubrey Crossland, Joe Gidden and A.M. Cunningham.

Survivors include two sons, Jasper W. Atkins of Big Spring, E.W. Atkins of New York City; one daughter, Mrs. Gleb Bourianoff of Corpus Christi; seven grandchildren, 12 great-grandchildren, and two great-great-grandchildren.

One son preceded her in death.

Operation Facelift Moneys Coming Along

The official insignia and artwork for stationery for the campus enhancement program "Operation Facelift" was discussed at Tuesday's committee session held in the David Wheeler home at 1423 Creekmere.

Featuring pine tree artwork by Emilio Caballero of the West Texas State University art department, the insignia will be embellished with words denoting campus enhancement and the campus title. It will be used on all official stationery printed for the group.

Other business reviewed were donation approvals given by the Kiwanis and Lions clubs of Canyon in designated amounts to be presented in later ceremonies, and the Amarillo Daughters of American Revolution donation which is pending approval at the May meeting.

Recognized for their recent donations were the Wives, Etc. of West Texas State University for a $25 gift; the Women's Division of Canyon Chamber of Commerce for a $50 gift; Mr. and Mrs. Raymond Bates of Canyon for a gift of $50; the Canyon Chamber of Commerce for a $100 gift; the alumnae group of Chi Omega Sorority for a $75 gift; and the University Study Club of Canyon for a $25 gift.

Operation Facelift chairman, Ann Asquith, and honorary chairman, Mrs. Lloyd I. Watkins, were in charge of the discussion as announcement was made that the trim on the Student Union Building on campus will receive a paint job and a review of plans for the SUB planter area was presented.

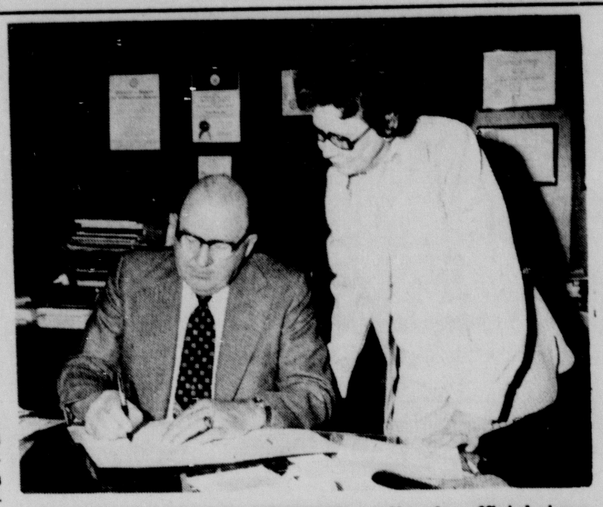
The possibility of a bicentennial fountain for the campus was further discussed as were plans for planting trees at the entrance side of the university fieldhouse.

Mrs. Asquith represented the committee as she discussed the plans of the group on a KGNC-TV noon watch program April 8.

A brief outline for the April 23 meeting of the Operation Facelift advisory council on campus enhancement was also discussed. The meeting will be held Tuesday evening at 7:30 p.m. in the Buffalo Room of the East Dining Hall on campus and all persons interested in the growth and development of the campus are encouraged to attend.

News Brief

Local area residents who are Jehovah's Witnesses have returned home following a circuit convention in Amarillo this past weekend. They were among 2012 who were in attendance to hear the Bible lecture on the subject, "Be Confident of Divine victory."



COUNTY JUDGE WOODY POND applies the official signature to a proclamation naming the last week in April as Secretaries Week in conjunction with the National Secretaries Association observance April 21-27. Virginia Byars, newly elected president of the Tierra Blanca Chapter here, looks on as Judge Pond signs the proclamation. A local secretary will be honored each day of the week and the secretaries will entertain their bosses at an annual banquet April 25.

Psychology Prof To Speak Tonight

Dr. Thomas Cannon, Jr., assistant professor of psychology at West Texas State University, will give the program for tonight's meeting of the North Plains Association for Children with Learning Disabilities.

His topic will be "Rats, Pigeons and Kids" as the group meets at First Christian Church in Amarillo at 7:30 p.m.

Dr. Cannon was formerly headmaster of St. Christopher's School in Lubbock and has worked with corrective learning and disability children.

He has served as a consultant with Killgore Children's Psychiatric Center and Hospital; Goodwill Industries; the Methodist Children's Home and the Learning Disabilities Clinic at West Texas State University.

In addition, he works as a consultant with the Randall County Juvenile Court and works in private psychology.

Dr. Cannon attended Oregon State College, University of Minnesota, University of Utah, Baylor University and Texas Tech University and holds a bachelor of arts degree in psychology with an English minor; a master's degree in psychology with a government minor; and an Ed.D. in counseling with a psychology minor.

He is the author of several publications and is co-author on numerous other writings many of which relate information in regard to learning disabilities and other psychological behavioral attitudes.

Wives Etc. Coffee Set Saturday

An end-of-year coffee will be held for the Wives Etc. Club of West Texas State University on Saturday, April 20, at 10 a.m. at the Methodist Student Center on the campus of West Texas State University.

Mrs. John Grillo of 404 Thompson Lane in Canyon will assume the presidential position for the group following the coffee meeting. At the coffee members will sign for interest groups for the fall club season and pay yearly dues. All members and prospectives are urged to attend.

Hostesses for the meeting will be officers and committee chairmen for the 1973-74 year. Lucy LaBrie, chairman, will be assisted by Ann Asquith, Jane Bailey, Anne Bethell, Ann Carlisle, Helen Freidell, Mary Green, Betsy Grillo, Jo Jackson, Betty Malzahn, Jane Munsell, Eleanor Schram, Linda Shelly, Mary Truitt, Jan Welch and Miss Shannon Smyrl.

Member dues of $3.75 will be paid at the meeting and members will sign for interest groups in which they would like to work the following year.

UMBARGER NEWS

By REBA RAEF

GREETINGS, FROM UMBARGER. We do not have much news this week, as we returned late Monday evening from a nice Easter vacation with our number two daughter, Helen, who teaches school in San Antonio. We went along with the Don Raefs who went on to Schulenberg for a reunion of Gracie's mother's relatives. Helen showed us a good many of the sights of San Antonio. We also visited with Lewie's sister, Sister Mary Amabilis, C.C.V.I., who is at the Incarnate Word Convent. The whole countryside is carpeted with wild flowers of all kinds, especially the Texas bluebonnets. We had a most enjoyable time and after a few days rest we'll be back to normal.

WE'D LIKE TO correct an item in our column last week. The Altar Society will prepare and serve a banquet for the Farmers Union, rather than the Farm Bureau. Sorry about that.

MR. AND MRS. R.E. Friemel had as Easter Sunday dinner guests their two married daughters and their families, the Frank Bezners of Bushland and the Paul Dettens of Panhandle.

BILL AND FRANCES Gerber attended a family reunion of Frances' relatives, the Stork clan in Thompson Park in Amarillo on Easter Sunday. There were about 200 relatives there. They came from Dallas, Dalhart, Nazareth, Umbarger and Amarillo.

WE'D LIKE TO say "Happy Birthday" to our grandson, Scott Raef, who will be six on April 22.

REMEMBER THE ART show and egg hunt next Sunday. The hall will be open on Saturday from 3:30 to 5:00 p.m., to receive the entries for the show. The egg hunt will start at 2:30 on Sunday and will precede the art show. Everyone is invited to attend. Refreshments will be served.

TOM CAME FROM Clovis and Lewie Jr. came from Pampa for Easter, but since we were gone, they had Easter dinner with the Bernard Hartmans.

NEXT SUNDAY EVENING, the C.Y.O. will have a "family night," in the parish hall. A movie will be shown and there will be pops and free popcorn for the entire family, so, let's all go to the movie. The C.Y.O. sponsored carnival will be held Sunday afternoon, April 28.

ON APRIL 23, the Knights of Columbus will have the second of their monthly charity suppers. The entire proceeds of the supper will be given to the Catholic Children's Home in Panhandle. This month, on the 23rd, the local council of the Knights, number 2808, will celebrate the 35th anniversary of its formation. A large birthday cake will mark the occasion. Chairman and co-chairman for this month are Ben Koch and Vincent Friemel. A cordial invitation is extended to everyone. Not only can you enjoy a good supper, followed by cards and dominoes, but you will also be helping the children in the home. The supper will be served in the parish hall and the card party will be in the Columbus Club Hall.

IF YOU HAVE news for me, please call me at 499-2164.

Happy News

New Phone Prefix For Happy Residents In Effect Now

By MARY NEAL HENRY

HAPPY'S TELEPHONE PREFIX has changed — but that was news April 6th. The new prefix for Happy is 558 — in case you've tried to call anyone lately. That is bound to be confusing.

* * *

THURSDAY MORNING, ELEN Avent, Alice Allen, Odessa Burnett and I traveled to Coleman, Tex. to form the 24th local CowBelle group for Texas. (It is a long way to Coleman and back in a day). We arrived just in time and found the Coleman Bank without any problem. Forty-four had gathered in the community room to organize.

SAN ANGELO AND the Live Oak CowBelles were on hand to help this group. We had former New Mexico CowBelles as well as South Dakota and Arizona.

COLEMAN AREA ELECTED Mrs. J.P. Miller, Jr. as their president; first vice president, Raynese McCravey; second vice president, Hazel Griffis; third vice president, Bertie Stone; secretary, Ann Hargett; and treasurer, Jeane Abbey. They set up their first meeting and some of them are ready to go to the Mid-Year meeting in San Antonio.

MRS. DWAYNE EDINGTON, whose husband has the sale barn there, knew people from up this way.

LOIS MARTIN (Mrs. J. Ray Martin), the veterinary's wife, is a relative of Anna Mae McManigal and Boone McClure. She had really enjoyed being in this area a few years ago and plans to come back, she says.

EVERYWHERE WE GO, we meet people whom we know or who know people that we know. Small world.

* * *

MRS. CARL BRYAN, president of the Sunnyhill Home Demonstration Club, has been elected to serve as vice chairman of Randall County Council for the coming year.

* * *

THE COWBELLES OF the Olton area organized also last week. That makes 25 local clubs in Texas.

* * *

HAPPY JAYCEES HAVE improved Stephenson Park in Happy with new and "renewed" playground equipment. Arney Community donated a swing set. Happy Jaycees painted it red, white and blue and added new chains and seats. They also purchased a slide, bouncing duck and sea horse for the youngsters' fun. Funds for this project were made possible by the Happy City Council and the Happy Jaycees. Dick Foster was chairman.

* * *

SARA TIREY WAS hostess to the Thursday bridge club last week.

* * *

MRS. JOE (OLA) Rogers says that the people of Wayside are the greatest people in the world and that she appreciates every one of them. Ola, who has been hospitalized in Neblett Hospital for several weeks, sends a big "thank you" to each one who visited her or sat with her. Ola is better, but still in Neblett Hospital.

* * *

MR. AND MRS. Henry Hamblen attended the funeral of a cousin of theirs who lives in Oklahoma. I think Oscie Parsons and Doris Gillham also made that trip with them and possibly others.

* * *

OTHELLA AND MILTON McGehee are still in Houston. Their reports should be complete by the time you read this.

* * *

MR. AND MRS. Tom Murphy of Trinidad, Colo., and a grandson, Shawn Murphy, spent Easter weekend with their daughter and aunt, Skip Simons and her family.

* * *

KEITH AND CAROLEE Waters and children were in Happy visiting over the Easter weekend.

* * *

PHOEBE AND DONNIE Cole and their three children (two daughters and one son) were in church Sunday with Mary Sue and Harold Eakes.

* * *

JIMMIE HOUSE WAS in our department Sunday. He has changed — just grown a little. The Houses were visiting in the area from Hereford.

* * *

CHARLES WRENN AND his family were back in their country home for Easter.

* * *

PEGGY AND TOM Johnson were visiting Wanda and Adrian Bates.

* * *

THE ED WRIGHTS were in Happy Sunday also.

* * *

BILLY AND SANDRA Penn were down for the Easter holiday.

* * *

MR. AND MRS. Gary Culp were at "home" with Myra Nell and Everette on Sunday. Gary called this week to say that he would be in San Antonio for our Mid-Year meeting and beef promotion workshop.

* * *

EVELYN AND RAYFORD Shipman had a large family gathering for Easter dinner. They entertained Fayerene and Robert Smith, Annabelle and Wayne Bramlett and their Larry and Carol of Lockney and Lubbock; and their own Emil Ross and Pam and Pam's fiance, Larry Waite; and Coleen and Melvin Schaeffer. The Schaeffers had a "family" garage sale in Lockney over the weekend.

* * *

SPEAKING OF HOME, Stuart and Stan say it is nice to hear their name called at mail call. Their addresses are: Pvt. Stuart Tackitt, 449-96-6256; Co. B. 3rd Bn. 1st BCT BDE; Platoon 4; Fort Polk, La. 71459, and Pvt. Stanley C. Morrison, 462-98-8140; Co. B, 3rd Bn, 1st BCT BDE; Platoon 4, Fort Polk, La. 71459.

* * *

JACKIE PYLE TELLS me that he trained at Fort Polk, La. and that he has been trying to find a time to take Lonnie and another boy or two and visit Stuart and Stanley.

* * *

OUR SYMPATHY TO Inez Cox of Tulia on the loss of her father, Louis Anthony Rossi. Inez is an ex-student of Happy High and later lived on the Pickett Place north of Happy (and east). Mr. Rossi, an Italian immigrant, had come to Tulia in 1930. He married Marie Piola in 1920 in Italy. He was a retired farmer and a member of St. Williams' Catholic Church. Other survivors are his wife; two sons, Hank and Frank, both of Tulia (but formerly of Happy — in their school days); two other daughters, Virginia Gerber of 1207 West 9th in Amarillo, and Mrs. Ann Anderwald of Littleton, Colo.; 23 grandchildren and two great-grandchildren.

* * *

OUR SYMPATHY, TOO, to Jess Grantham, on the loss of his mother, Mrs. Luxie Grantham, 76, of Tulia. Jess and his family live in Dalhart, but are former residents of Happy. Mrs. Grantham is also survived by three other sons, Charles, Orville, and Day G.; and three daughters, Mrs. Hal Kock of Herndon, Va., Mrs. I.H. Nail and Mrs. M.E. Chapman, both of Tulia; a brother, Jack Norton of Wichita Falls; a sister, Mrs. Myrtle Allen of Ravla, Okla.; 15 grandchildren and 10 great-grandchildren.

* * *

JERRAL MAYES IS home from the hospital and wearing his neck brace.

* * *

ROSS DUFF WAS moved to St. Anthony's Hospital in Amarillo and was expected to have surgery there last Monday if he was able.

* * *

IF YOU NOTICED Tom's name in the hospital column, he had five teeth removed on Friday (wisdom teeth and one from the roof of his mouth) and came home on Saturday. He did surprisingly well. (I was surprised and relieved). The hospital staff at Neblett could not have been any better. They were absolutely great. We met a Mrs. Newman whose sister was married to Tom's first cousin in Shamrock.

* * *

SUSIE PARSONS WAS just across the hall. She, too, got rid of her wisdom teeth.

* * *

ALLEN EBLING OF Tulia was Tom's roommate (to begin with) and he was one of two others who had the same surgery. Allen is a graduate of Tulia and attended and played football for McMurry College. We also met his brother and his dad. Very nice people.

* * *

THE SUNNYHILL HOME Demonstration Club met recently with Mrs. Eddie Bryan. Becky Hall, extension agent, gave the program on "blenders." Several brought blenders and after the program they sampled all the delicious dishes.

GWYNN TUCEK, VICE president, conducted the business meeting. LaVenna Jackson was elected council delegate for the coming year and Joy Bryan, secretary. Plans were made to attend the May Day luncheon at 11:00 on the morning of May 16th. Each member is to bring a dish and the recipe for that dish. Each club will decorate its own table. A prize will be awarded the best decorated table. Admission to the tea is $1.25.

MARY JANE MILLER will be the next hostess to the club on May 2nd. New officers will be installed on that day.

PRESENT FOR THIS meeting were Mary Jane Miller, Hermion McNeill, Betty Miller, Becky Hall, Mary Wilhelm, Maurine Allison, Gwynn Tucek, Bertie Culp, Lou Dougherty, Traverne Vermeire and Phyllis Bryan.

* * *

Stribling Working On Ministry Study

Rev. Baldwin J. Stribling is continuing work on his doctor of ministry studies at the MO-Ranch at Hunt, Texas this week.

The faculty of McCormick Theological Seminary in Chicago is conducting this third intensive session where the focus of study will be church organizational behavior.

THE LITTLE DRIBBLERS, both boys and girls, began practicing basketball last Saturday.

* * *

DEBBIE MAGNESS WON second in the pole bending in Spearman in Tri-State and Valerie Tipps won second in the bull riding. Sherry Starkey gained points. Dennis Bell and J.T. Henry also participated in the rodeo.

* * *

4-H HORSE CLUB of Swisher County met at the Tulia Arena on Monday evening to discuss coming playdays and practices.

* * *

FAYE PARKER, MOTHER Advisor of Happy Rainbow Assembly, was pleasantly surprised with a birthday party and card shower by the Happy Rainbow Girls on Monday evening. Among the adults present for the evening were Faye Parker, Louise White, Willa Jane Elliott, and Ruth and Alden Mann.

* * *

THE EASTER HOLIDAYS were most pleasant at our home. We enjoy the children when the opportunity presents itself. (And by the way, I have corn up in the garden).

See ya!
Mary Neal

Five Ministers On Rotary Panel

A panel of five local ministers participated in a discussion on church growth and expansion moves being conducted here at last Tuesday's meeting of the Canyon Rotary Club.

Panel participants were Baldwin J. Stribling of the First Presbyterian Church, Bill Kent of the United Methodist Church, Dwayne Dennis of the Central Church of Christ, Bill Foil of the First Baptist Church, and Terry White of the First Christian Church.

GENE HOWE NEWS

By TROYCE MULHERIN

GREETINGS:

ONE WHOLE WEEK of Saturdays is a bit much. Only in certain ways, though. Was nice to sleep late, wasn't it? Was nice to have such entertaining youngsters around, wasn't it? Was nice that Tuesday finally rolled around, wasn't it?

UPON LEARNING THAT a blood oath had been given to take some young ladies to Wonderland Park, the men folk in the Mulherin family loaded up their fishing gear and heavy coats and headed for the hills. Actually headed for the mountains, Red River. The cold and snow and ice-covered fishing places failed to deter our men, who swear they had a "good time." They also swear that the fish that got away really was that big, too. Believe what you want.

Wonderland Park Bargain True Fun

BARGAIN NIGHT AT Wonderland Park is an experience most people over thirty could live without. The girls were wearing the boys clothes. The boys were combing and brushing their shoulder-length hair continuously with pretty pink combs and brushes. (After frequent usage, the combs and brushes were manfully stashed in a hip pocket, only to be brought into use after the next ride was over.)

THE OLDER, SEASONED park goers, found themselves a nice bench, close to the concession stand, which blocked the wind, and which also sold coffee. Here the moms and dads set up a patient, chilly vigilance. Here they were found by their youngsters. But, only when the youngsters were out of money and needed a coke, some popcorn, or a snowcone, with which to fuel their dwindled energy.

CAN YOU BELIEVE a park full of people, mostly under eighteen, and each one fully intent on enjoying every blessed moment? Can you believe that somehow, through the throbbing of the music which was mixed with the roar and metallic clinking of the rides, that somehow, these youngsters were able to communicate with each other; usually by shouting. One enormous din of noise.

BEEN HERE AN eternity — still two and one-half hours 'til closing time. Forgot my needlework in the hurry, hurry dash to get here early. Read the Canyon paper. Was interesting, and it was easy to ignore the tag of partypooper. This was a good time to check out the "Other Kids" and what "They Get To Do," and what "They Get To Wear," "Their" hair length was noted. "Their" attire was duly noted. (Only the very young and very determined could possibly "do" Wonderland in clogs.)

ONLY AN HOUR 'til closing time. Wonder if the kid would run away if we insisted that it was time to go to our nice warm home? Better not chance it. Easy to tell that closing time is rapidly approaching. Youngsters are busily digging in their pockets in search of enough money for just one more ride, or one more coke, or one more ... Home-bound parents are anxiously looking for unworried and unhurried youngsters. Might as well spoon the wind-blown elm tree seeds out of the cold cup of coffee. One would think that the tenth cup would be free, wouldn't one.

IT'S OVER IT'S over! Know what, though? The happy faces of the giggly girls made it all worthwhile. Honest.

BE SURE TO make plans to visit Gene Howe school sometime this next Saturday, April 20. The Amarillo Hospital District Bond Election will be held this day. Polls will open at seven a.m. and close at seven p.m. This will be a dual election for property and non-property owners held simultaneously.

HAPPIES TO MARGIE Phillips, our energetic and patient music director, who birthdayed Monday, the 15th. Many more, lovely lady!

ARTS UNLIMITED WANTS to invite you to attend its annual Arts and Crafts Show for your looking pleasure. The doors will close at three o'clock. The place is the Amarillo Federation of Women's Clubs, 1003 Civic Circle. A lowly admission of one dollar will entitle you to hours of viewing and question asking. Refreshments will be furnished (to sustain you during your hours of looking). Doorprizes will be given to lucky types.

THERE WILL BE a bake sale and a bazaar. (Grand opportunity to pick up some gifts for future use.)

REPRESENTATIVES FROM THE State Center for Human Development will be there with their craft items, which will be for sale, and with some information regarding the purposes and aims of the Center.

ATTENDEES WILL BE treated to seeing absolutely everything in the craft line. Also, an outstanding art show of paintings by club members will be set up. This is a "Really Big Show." We guarantee your enjoyment of same. Do come.

HAPPY BIRTHDAY TO Ada Solbrig, who celebrated on the 18th.

TONIGHT IS THE first session of the painting class at Gene Howe. Knowing that some readers receive this paper on days other than Thursday — if you miss the meeting tonight and want to attend the other classes, call and you will be given a list of the needed supplies, etc. Golly, gosh, oh gee, this is going to be fun! From seven o'clock 'til ten o'clock. Three hours of learning fun!

BEGINNING MAY 2, a Thursday, a course in interior design will start — same times and same place as the painting classes. This course will present a practical emphasis on present day interior design. Such topics as color, house orientation, room function, emotional effect, specific areas such as floors, walls, draperies and upholstery and accessories, furniture, will be presented. This is a four-week course, with an enrollment fee of $4.00.

CALL ME WITH your news items.

THANKS FOR THE use of the hall.

Troyce 352-6053

374-3282

Volleyball Tourney To Open Today

The annual spring volleyball tournament sponsored by Chi Upsilon chapter of Beta Sigma Phi will begin tonight, Thursday, at 6 p.m. with elimination games in both men's and women's divisions.

All games are slated for the Fieldhouse at West Texas State University and are open to the public with an admission charge of 50 cents for high school students and adults and 25 cents for younger students and participating players.

Volleyball eliminations will continue Friday evening at 6 p.m. with the schedule of finals to be held Saturday evening beginning at seven o'clock. Trophies will be awarded for first, second and third place teams as well as consolation in both divisions.

This year eight men's teams and 16 women's teams have entered the tournament, according to Nell Sims of Happy, tournament chairman.

The sponsoring group annually uses funds from the tournament to furnish a scholarship fund for a Canyon High School girl graduate each spring and for various other community projects.

Candidates Due Tonight At Meet

More than a dozen candidates for political office in the May 4 primary elections will be on hand for brief speeches and questions and answers during the regular meeting of the Canyon Political Action Group tonight.

The group will meet at 6:30 p.m. today at the Yum Yum Tree Restaurant for a dutch-treat supper. The program, which will concern the current American defense posture, will begin at 7:15 p.m.

Candidates will be introduced and will be given two minutes each to make a brief presentation. Following the program, the candidates will be available for questions and answers.

Candidates who have said they will attend include Democrats Ed Fletcher and Robert Simpson, seeking election to the state representative post; O.M. Calhoun, Herbert Martin, Bryan Poff and Connally Lockhart, seeking election to the judgeship of the 47th District Court; Fern Patterson, Robert McClendon and Marty Schantz, seeking election to county treasurer; Bill C. Moore, John McCann, James Rittenberry, Dee Griffin Sr., and John Fulgenzi, candidates for county commissioner; LeRoy Hutton, county clerk; Ray Ruffin, candidate for U.S. representative; and several precinct chairman candidates.

Men's Trousers Instruction Set By HD Council

Instructions on knit fabrics and assembly on men's trousers will be the subject of a course being sponsored by the Randall County Home Demonstration Council.

The first session of the course will be Friday at 9:30 a.m. and 1:15 p.m. and the second day of discussion on men's slacks will be held April 26 with Joyce Johnson of the Amarillo Stretch 'n Sew Center as instructor.

Prior registration will be required for those interested in taking part in the course. Course fee is $5 and registration may be made by calling 355-8179.

Upcoming will be a special session on men's sport coats to be held May 3, 10, 17 and 24 with a fee of $12. Helen Lemons will serve as instructor for the morning and afternoon sessions.

Choice for irrigation...

DEKALB F-65a

Big Yields M.D.M. Resistant!

Make a big yield even bigger with this popular hybrid. F-65a responds vigorously to irrigation and fertility. And it has bred-in resistance to M.D.M. and head smut. Exceptional in appearance and good partner to DeKalb F-65. Plant it this year.

"DEKALB" is a registered trademark F-65a is a hybrid designation.

without alley service to use remote type water meters so city employees need not go into private backyards to read the meters.

NEW HERITAGE WOMAN'S CLUB president, Mrs. Jimmy Marrs, left, was installed at the Monday meeting of the club when Mrs. David Britt of Wheeler, second from left, was the installing officer. Mrs. Britt is the incoming president of the Top of Texas District of the Texas Federation of Women's Clubs. Also shown are Mrs. Larry Brandon, outgoing HWC president and incoming district junior director; and Mrs. Don Max Vars, right, who is the outgoing president for the Top of Texas District.

Heritage Woman's Club Officers Are Installed

Mrs. David Britt, new president for the Top of Texas District of the Texas Federation of Women's Clubs conducted the installation of officers for the Heritage Woman's Club of Canyon Monday evening following a casserole and salad supper.

Mrs. Larry Brandon, outgoing president, was in charge of the business as the group met at the Baptist Student Center.

Introduction of Mrs. Britt was handled by Mrs. Ronnie Gordon, federation counselor. The installation rites and other presentations were in keeping with Mrs. Brandon's theme for the year titled "A Quest For Freedom's Treasures."

The incoming president's theme "Facets of Federation" was followed as each new officer helped to create a facet of the jewel as they were installed.

Heading the new cast of officers is Mrs. Jimmy Marrs, president. Her line of officers include Mrs. Phil Pennington, vice president; Mrs. Lynda Looney, secretary; Mrs. Olan Lehman, treasurer; Mrs. Jim Perry, parliamentarian; Mrs. John Plank, program chairman; Mrs. George Loudder, yearbook chairman; Mrs. Wayne Sims, reporter-historian; and Mrs. Wayne Ray, ways and means chairman.

Among other business, Mrs. Gene Crowder gave a home life report on the ban of pornographic materials from magazine stands; Mrs. Nick Cavrich was initiated as a new club member; and announcement was made of the May 6-9 state TFWC convention to be held in San Antonio. Mrs. Larry Brandon and Mrs. Don Max Vars are planning to attend the state meetings.

A treasure chest with names of all members receiving special recognition during the year and a scroll were given to Mrs. Joel Oliver. She was the club's nominee for district "Outstanding Junior Clubwoman" this year.

Honored as an outstanding club member was Mrs. Phil Pennington, who was given a scroll by Mrs. Carl Hollabaugh. The club's president, Mrs. Brandon, presented her husband with the president's meritorious award. She also presented the outgoing department chairmen with scrolls and outgoing officers with oil paintings of daisies, the club flower. Mrs. Brandon was the recipient of a scroll and pin for her past year's service to the club by incoming president, Mrs. Jimmy Marrs.

Mrs. Brandon has been elected new junior director of the Top of Texas District at the recent convention held in Borger. Representing the local club at the convention were Mrs. Larry Brandon, Mrs. Carl Hollabaugh, Mrs. Joel Oliver, Mrs. Jimmy Marrs and Mrs. Phil Pennington.

Announcement of awards and certificates gained at convention were made by Mrs. Larry Brandon and Mrs. Joel Oliver. The president's speech by Mrs. Brandon won a first at convention and in the arts and crafts exhibit, Mrs. Gene Carlisle won second place with an ecology painting and Mrs. Brandon won a first place with a still life painting.

A first place on the club's scrapbook was recognized for Mrs. Gene Carlisle and Mrs. Jim Perry won a first place on the club's yearbook. Departmental awards went to Mrs. Ken Crossland, first place in the arts; Mrs. Phil Pennington, second place in conservation; Mrs. Jack Tillinghast, second place in education; Mrs. Gene Crowder, first place in home life; Mrs. Eugene Colgan, first place in international affairs; amrs. Orrell Vise, first in public affairs; Mrs. Carl Hollabaugh, first in Texas Heritage; and Mrs. Joel Oliver accepted the first place award on behalf of the total HWC of Canyon for receiving the most awards at convention.

Member husbands were special guests for the program and other guests included Mr. and Mrs. David Britt of Wheeler, installing officer; Mr. and Mrs. Don Max Vars of Canyon, Mr. and Mrs. Herbert Martin of Amarillo, Mrs. Gene Glazener of Canyon, Mrs. Lamont Waldrip of Boys Ranch; and Mrs. R. V. Pennington of Canyon.

Door prizes awarded were potted plants used as centerpiece decorations and a terrarium given to the installing officer. Mrs. George Loudder prepared the door prize selections. The raffle basket made by Mrs. Jimmy Marrs, was won by Mrs. Olan Lehman and was a bulletin board.

Hostesses for the evening were Mesdames George Loudder, Reggie Reeves, Joel Oliver and Ronald Thomason.

Next club meeting will be held May 20 in the home of Mrs. Wayne Sims, 2517 9th Evenue.

HERITAGE WOMAN'S CLUB officers for 1974-75 include from left, standing, Mrs. George Loudder, yearbook chairman; Mrs. John Plank, program chairman; Mrs. Wayne Sims, reporter-historian; Mrs. Lynda Looney, secretary; and Mrs. Olan Lehman, treasurer. Seated from left are Mrs. Jim Perry, parliamentarian; Mrs. Phil Pennington, vice president; Mrs. Jimmy Marrs, president; and Mrs. Wayne Ray, ways and means chairman.

Eagles Draw Split In Outing

The Canyon High School Eagles split a double header with Dumas Tuesday afternoon in Dumas as they began their District 1-AAA play. Presently all three teams in the district are at the .500 level.

In the first game, Canyon lost 11-4. According to Bob Sloan, baseball coach, the loss is credited to 14 walks given up by Ronny Hicks who was on the mound for the Eagles during the first game. Coach Sloan also stated that the three and one half week lay off was a factor in the loss.

Scoring in the first game came in the first and seventh innings. In the first inning, Wayne Pitt singled. Hicks drove him home with a single. Ed Lair singled putting runners on first and third for the Eagles. Doug Day doubled to drive in the last two runs of the inning. In the seventh inning, Pitt again singled. Hicks bunted him to second and Lair singled to send Pitt home.

Sloan said that errors and the hitting of the Dumas team did not hurt as bad as the walks.

In the second game, Lair took the mound for the Eagles. He allowed five hits and struck out 13 in the 6-4 win.

Scoring in the second game came in the first and second inning. Hicks started the scoring when he drew a walk. Lair hit a single putting two on. Day hit a single to drive in Hicks. With men on first and third, Brad Martin walked. With the bases loaded, Terry Slagle drew a walk and one run scored. Jimmy Ward hit a triple to score the last three runs of the inning. The final score for the Eagles came in the second inning.

Pitt went four-for-four in times at bat for the Eagles in the first game and two-for-four in the second game. He also stole six bases. Season records now stand at Dumas, 2 wins and 2 losses; Levelland, 1-1; and Canyon, 1-1.

The next Eagle games will be played Saturday against Levelland here at 1 p.m. and 3 p.m.

Profs. . .

President Virgil Henson to go over preliminary budget figures for 1975-76 school year.

He said he would still describe the budget as "tight."

Malzahn was to have met with deans of the university schools and colleges Tuesday afternoon to discuss initial adjustments in faculty numbers due to the budget for that academic year.

He said Tuesday following the Monday meeting he was still not sure how many faculty members might have to be trimmed from the faculty at the university due to the budget requirements.

He told The News last week it is a strong possibility several faculty members may have to seek employment elsewhere due to the university financial picture.

Declining student enrollments for the past few years have been the cause of the reduction in budgets for the university's operation and the subsequent release of faculty members.

Jury. . .

university football player, Mike Kotrous, tried to gain entrance to the campus without showing any identification.

University Police Chief told The News following the incident he had closed the campus to all traffic except students who were asked to produce student identification cards.

Kotrous told The News at that time he refused to show his identification and a scuffle ensued between himself and Deputies McDonald and Winieger and Patrolman Coy.

Morgan was quoted by Amarillo television stations as saying the student was hit after the deputies handcuffed him.

Morgan declined to talk with The News concerning the incident.

Kotrous faces misdemeanor charges of resisting arrest.

Seven indictments were handed down by grand jurors in other action.

They included indictments on Herbert Lee Jones, burglary; Donald Edward Ricks, burglary; Larry Gene Byars, burglary; Robert Gene Barrett, burglary with intent to commit theft; Terry Davis Tucker, burglary by breaking; Chester Monroe Burnham, Jr., burglary; and Alfred William Baker, aggravated robbery by deadly weapon.

Delta Sigma Theta Host Game Tournament At AC

Delta Sigma Theta sorority will host a Games Tournament at West Texas State University's Activities Center April 19-20.

The games, according to Thelma Moultrie, the sorority's vice president, will begin Friday at 3 p.m. for all interested persons. Finalists will compete on Saturday beginning at 10 a.m.

Entry blanks have been issued to various high schools, campus sororities and fraternities, and residence halls. Students and other persons will be competing in billiards (entry fee $2 single, $3 double); volleyball (50 cents per player); table tennis (50 cents single, 75 cents double) and bowling ($2.50).

Finalists will compete for trophies Saturday, Martha Howard, Delta Sigma Theta president, said.

For further information, Miss Howard said, "you may contact any of the Delta Sigma Theta big sisters." They are Rhonda Jackson, Thelma Moultrie, Sandra Graves, Maggie Williams, Nita Rouse, Pat Smith, Grace Conner, Shella Barksdale or Miss Howard.

Organ Recital Set For Church

Mike Lacewell of Borger will present a senior organ recital at 8 p.m. Friday at the Polk Street Methodist Church in Amarillo.

Lacewell, son of Rev. and Mrs. Robert Lacewell of Borger, is a senior keyboard major at West Texas State University.

A student of WT organist Mary Ruth McCulley, Lacewell is a member of Phi Mu Alpha, the American Organ Guild and Alpha Chi.

His selections will include Bach's "Passacaglia and Fugue in C minor," De Grigny's "Veni Creator," and works by Roger-Ducasse, Alain and Sowerby.

Services Pending For County Resident

Ralph LeRoy Grossman, 84, died at Swisher County Hospital in Tulia Wednesday morning. He had lived three miles north of Happy in Randall County for 29 years.

He was born in Media, Illinois and was a retired farmer. He was a member of the Church of God of Hugoton, Kans. He was also a member of the Farm Bureau.

He married Mary Edna Beavers in Alva, Okla. Sept. 16, 1913. She died in 1959.

Survivors include two sons, Lawney of Phillips, Tex., Chester of Novice, Tex., one daughter, Mrs. Walter Stubblefield of Happy, seven grandchildren and 14 great-grandchildren.

Services are pending at LaGrone Funeral Home.

Crop. . .

WTSU Band To Present Spring Concert

The WTSU Bands will present their annual Spring Concert Sunday in the Theatre of the Fine Arts Building on the campus at 3 p.m. There will be no admission charge.

Gary Garner, Director of Bands, is the conductor of the symphonic band. The concert band is directed by Donald Baird. Guest conductor will be Rowie Durden, of the WTSU Music Department, who will conduct Haydn Wood's "Mannin Veen."

The concert band will feature several student conductors including Donnie Hall of Pampa, Rick Hittinger of Canyon, Tim Albritton of Amarillo and Frank Hall of Amarillo.

Three of the symphonic band numbers will be premiere performances. "Sensemaya" was arranged from the original orchestral score by Roger Winslow of Hurst, TX. Winslow is Director of Bands at L.D. Bell High School in Hurst. His son, Steve, is first-chair baritone in the WTSU Symphonic Band.

"Sinfonia for Winds and Percussion" is by James Andrews, assistant band director for Friona schools. It is part of his Master's thesis at WTSU. It is a three-movement work based on the hymn "Let Us Gather Together."

"Percussive Positive" is by Q'Adrianne Rohde of Guymon, Okla. Mrs. Rohde has had numerous performances of her works, including a performance of "The Lost Forest" by the Amarillo Symphony, under the direction of A. Clyde Roller.

The symphonic band will also perform Fillmore's "The Circus Bee March."

The concert band will perform Erickson's "Earth Song," Zdechlik's "Chorale and Shaker Dance," Smith's "Concert Dance and Intermezzo," Wagner's "Huldingungs March" and Kroeger's "Divertimento."

Ecumenical VBS Session April 21

Teachers and workers in the upcoming Ecumenical Vacation Church School will receive additional instructions Sunday, April 21, at a meeting of workers slated at St. Stephen's United Methodist Church in Amarillo.

The meeting will be from 2:30 to 7:30 p.m. and will include a salad supper for which reservations are required.

Local coordinators, helpers and teachers for the Ecumenical VBS held a planning meeting Tuesday evening at the First United Methodist Church here.

THREE VOTING DELEGATES representing Randall County at the District I meeting of the Texas Home Demonstration Council in Borger today are, from left, Mrs. Cristler Crain of Pleasantview HD Club; Mrs. W.C. DeBord of Palo Duro Rusk HD Club; and Mrs. W.D. Walker of Edgetown HD Club. The voting delegates are shown counting Betty Crocker coupons which will be turned in at the district meeting to benefit Girlstown there. An exhibit representing handwork and crafts of local clubwomen will also be presented at the meeting.

County Eyes Construction

Work could begin soon on construction of an extension of Hunsley Road from a point east of U.S. 87 to Washington Street, Randall County commissioners learned Monday.

During a brief session, commissioners heard of a discussion with A. L. McKee, Texas Highway Department engineer, concerning construction of the extension.

County Judge Woody Pond said he had written a letter to McKee assuring the department the county will proceed with construction plans for a road from Hunsley Road southward into the West Texas State University campus.

Once the letter of assurance is received, Pond said McKee told him, plans should begin for the extension of Hunsley Road to the east.

In other business, commissioners okayed expenditures totalling about $3800 for equipment for the road maintenance department and the county tax collector's office.

Road Supervisor Joe West was authorized to purchase a used pneumatic roller for road maintenance at a cost of about $3200.

Mrs. Audrey Bruse, tax assessor-collector, was authorized to purchase drafting equipment for her office. She has hired a draftsman to make maps for her office.

Pond noted the need for future hiring of a full-time assistant for Randall County Clerk LeRoy Hutton to handle election procedures.

Hutton suggested the new employee might also head up the county's proposed microfilm department.

Commissioners meet again at 1 p.m. Monday in the courthouse for a regular meeting.

Furlows Plan Visit In Louisiana Home

Mr. and Mrs. R.T. (Dick) Furlow of Canyon are planning a visit with his daughter, Katie Petty, and sons in New Orleans, La. later this month during the time that their son-in-law, Terry, is home from Norway.

Terry is then scheduled to travel to Spain and Australia in his oilfield exploration occupation.

Life At Siesta

Firetruck Bid Lost

By EARLINE BENHAM

Siesta had a nice Easter egg hunt Sunday. There were prize eggs given for the most eggs found and one cash prize. Two groups hunted and over 20 children attended.

* * *

As scheduled, "Parents Night Out" will be sponsored by the Ladies Auxiliary this coming Saturday night, at the recreation hall. It will begin at 7 p.m. Everyone at Siesta is urged to have a night out while the children also have a night out with all their friends.

* * *

Mr. Reeves has offered free grass seed for everyone that needs it. Just pick it up at the office.

* * *

We hope that everyone had a nice Easter. The Benhams had a minor emergency. The wind got so strong in Oklahoma that it picked up their five-year-old daughter and threw her half way across the yard. The result was three stitches and a sprung storm door.

* * *

Mr. and Mrs. John Hoffman will have guests this weekend from Kiowa, Kan. The guests are Mr. and Mrs. Jim Hoffman, John's brother and family.

* * *

James Risner has returned home from Oklahoma City. He had ear surgery there and is recovering very nicely. They returned home Friday night.

* * *

Mr. and Mrs. B.T. Rinehart had out-of-town visitors for Easter, being Vera Tate and Beth Myers from Hobbs, N.M.

* * *

Siesta would like to wish Mr. and Mrs. Felton Conner a Happy Anniversary. They plan to take advantage of "Parents Night Out" for their anniversary.

* * *

The April 15 meeting had a few problems at the meeting. Siesta lost the bid on the fire truck that they had been trying for. However, they haven't given up. The fire department will sponsor a door-to-door drive Thursday night for donations to the fire department. The men of the volunteer fire department decided to pay dues once a month. They will soon have the money to buy a nice truck for Siesta. With all of the projects they have planned and the effort the people of Siesta are putting forth, they will be in operation very soon.

* * *

For the residents of Siesta that haven't noticed, the rental office has been moved to the office beside the recreation hall. Mrs. Huddleston is in charge there.

* * *

Mrs. Doris McKee and children visited her mother, Mrs. E.M. Weaver, in Lubbock for Easter. They left Saturday and returned Monday.

* * *

Mr. and Mrs. Tex Reed entertained her mother, Mrs. H.A. Stancil for Easter dinner.

* * *

The Burgans visited her parents in Amarillo for Easter dinner.

* * *

Mr. and Mrs. David Benham will have late Easter guests this week. His brother, Sgt. and Mrs. James R. Benham, from Denver, Colo.

Baptist Youth Have Breakfast After Sunrise

The First Baptist Church of Canyon provided their bus for youths interested in attending the Easter Sunrise Service at Palo Duro Canyon Sunday morning.

Following the services, the bus group returned to the Youth Activities Building of the church for an Easter breakfast with about 60 being served.

Adult sponsors preparing the breakfast were Mr. and Mrs. Phillip Langen and Mr. and Mrs. Lynn Blewett. Accompanying the youth to the worship in the canyons were Dr. and Mrs. Leonard Wilson, Willy Dean who drove for the group, and Rev. Bill Foil, pastor, who was one of the liturgists on the worship service program.

Mrs. Thompson Big Spender In Campaign

Mrs. C. S. Thompson was big spender in the recent city commission election.

Mrs. Thompson, in her campaign expenditure statement filed Tuesday, showed expenditures totalling $107.30 for printing and advertising.

All candidates for election during the April 6 election filed statements with City Clerk Bob Moore.

A financial statement by Mayor J. Manly Bryan indicates he spent $4.20 for advertising in the campaign. Bryan ran for re-election unopposed.

Incumbent H. R. Fulton Jr. owes $4.20 for advertising.

Charles Sykes, who challenged Fulton for his seat, has paid $30 for advertising.

Incumbent Jim Christopher owes $54.18 for advertising according to his statement.

Junior High Boys To Enter Track Meet

The South Zone of the junior high boys district track meet will be run Saturday, April 20 at Hereford. Canyon Junior High School will enter two teams in the meet, according to Eddy Smith, junior high track coach.

Other teams in the meet will represent the two junior high schools in Hereford and the two schools in Plainview.

The top three qualifiers in each event from both North and South Zones will run in the district meet April 26 at the WTSU track.

The North Zone is composed of junior high schools from Perryton, Dumas, Borger and Pampa.

UIL Meet In Odessa This Weekend

The regional University Interscholastic League contests will be held at Odessa April 18, 19 and 20.

Thursday and Friday the Canyon High School golf team, who placed second in district 1-AAA competition, will play two 18 hole rounds. The team feels fortunate to be a part of the regional meet according to B. B. Kendrick, golf coach. Kendrick feels that two members of the team could possibly win medalist honors, Brad Garner, senior member of the team and Bill Turner, sophomore, are Kendrick's hopefuls.

The golf team has placed third in meets in Clovis and Muleshoe and seventh in the nineteen team Amarillo Relays.

Also in regional competition Saturday will be John Watkins in boys persuasive speaking, Carla Dwyer in ready writing, Joan Albers in spelling, Dan McGlasson in science and Maurine Gidden and Jana Burton in shorthand.

Highway Crews Counting Again

After 4,420 days without a "lost-time accident" the Texas Highway Department division in Randall County began a new count Tuesday.

The accident which broke the long standing record was the result of a falling end gate on a gondola car at the railroad. The maintenance crew was unloading the car when the end gate fell striking Phillip Barron on the right foot. Barron has been with the department about a year.

He was treated for the broken foot at Neblett Memorial Hospital here and released according to Marvin Salmon, maintenance crew chief here.

If you can't get PIONEER Brand 8311

here are some excellent alternative hybrids for High Plains farmers.

Pioneer Brand 8311, the "Golden Bronze Yield Leader," has been our most popular hybrid this year — so popular, in fact, that it may be in short supply in some areas. One reason is that the demand has been so great downstate where 8311's disease tolerance is so important. Fortunately, there are several other Pioneer Brand hybrids that are proven top performers on the High Plains. If you can't get 8311, ask your dealer about these.

PIONEER Brand 8417
This versatile yellow endosperm sorghum is a champion yielder in the medium-late maturity class, for irrigated or non-irrigated land. It has large open heads, uniform head height, strong stalks for easy threshing, good tolerance to smut and anthracnose.

PIONEER Brand 820
This top-notch full-season hybrid, is a consistently high yielder. Excellent drouth resistance and standability plus good roots and stalks make it a good choice for irrigated or non-irrigated farming on the plains.

PIONEER Brand 828
One of the highest yielding sorghums you can plant, this full-season hybrid responds well to good management on good land with plenty of water. Plains growers like it because it holds its quality and threshes well even after an early freeze. It produces sturdy stalks with semi-compact heads of dark red grain.

PIONEER Brand 846
Famous for its versatility and adaptability, this medium maturity hybrid yields along with the full-season varieties. Resistant to smut, rust and MDM, its outstanding hybrid vigor and excellent drouth resistance help it turn in consistently high yields even under stress.

Bank Employee Honored Friday

Honored as "employee of the year" in a recognition service by fellow employees of the First National Bank of Canyon last Friday afternoon was Mrs. Ethel Lewis.

Mrs. Lewis is the secretary to David West, executive vice president of the bank. She was selected from among those bank employees who had previously been named employee of the quarter and was presented with a week's paid vacation as the extra bonus for her recent selection.

Other employees of the quarter during 1973 were Edith Nicholas, assistant cashier and head of the note department; and Sarge Riley, custodian of the bank.

Representing Canyon High School in the regional track meet April 19-20 will be, left to right, Bob Counseller who placed second in discus at the district meet, Gary Bednorz who placed first in the high jump at district, and Scott Wilson who was second in the pole vault.

Mexican Fiesta For Pathfinders

A fiesta dinner will be held Friday between the hours of 5 and 8 p.m. under the sponsorship of the Pathfinders Class of the United Methodist Church.

Proceeds from the dinner will be applied to a memorial fund for furnishings at the new church. Tickets will sell at $1.75 for adults and $1 for children under 12. Tickets may be purchased from class members or at the door.

David Anderson, right, and Kevin Raef, left, work out Tuesday in preparation for the regional track meet to be run Friday and Saturday, April 19-20 in Odessa. Anderson and Raef will enter the 220-yard dash. Anderson will also compete in the 100-yard dash.

Cave Sight Of Abandoned Post Office

Since mail service was discontinued in 1899, the sight of the Dean Post Office, 10 miles south of Wildorado, has had few moments of glory. Now the only activity surrounding the old post office is the grazing of H. D. Fowler's cattle.

This post office is unique in that it is located in the side of a small hill. The area must have been dug out of the rocks with the use of hammer and chisel, according to Fowler, who owns the land where the cave is located. Marks left by the chisel can still be seen on the roof of the old post office. The post office boxes were holes dug in the back of the cave. While cleaning out the cave an old stove used for heating was found.

The post office was established on April 29, 1892 and was a link in mail delivery from Amarillo to Laplata, the then county seat of Deaf Smith County. Thomas H. Dean was the first postmaster, according to the National Archives. The only other postmaster was Edward H. Fullwood who began his services on March 12, 1895.

Located on the banks of Palo Duro Creek just inside Randall County, the only memorial to service left at the post office is a flag pole placed just above the cave by the Fowler family and a flag donated by the Hereford Chamber of Commerce.

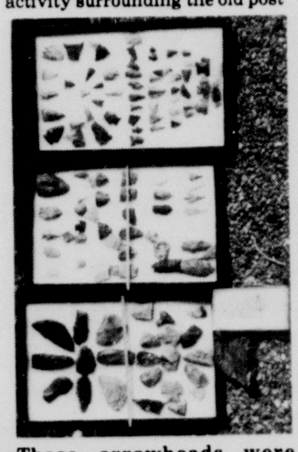
The history of the post office sight goes back to 1880 when the Isaachs brothers left the employment of Gunter, Munson and Summerfield Cattle Co. after difficulties with the management. They went up the Palo Duro creek to the last living water hole and built a two room picket house. The pickets, set in the ground, were plastered with mud. The house was dug out just below the location of the then future post office.

In 1890 after the Isaachs had abandoned the house, the Jerry Rowland Dean family moved to Texas from Kansas and settled on the Palo Curo Creek with 40 head of cattle. According to the account given by Dean's daughter Mrs. J. E. Lowndes, the family ordered a tent from Montgomery Ward and pitched it beside the abandoned picket house. The tent was divided into four bedrooms and the picket house was used for the living room and kitchen.

Dean later was the first judge of Deaf Smith County and later was a state representative for the county. Dean's son Thomas was the first postmaster.

According to R. M. Allred, who came to the Panhandle area in 1900, his friend J. R. Goodman was the man who made mail deliveries from Amarillo to Dean to Laplata. Goodman would go from Amarillo to Dean on the first day. There he would spend the night with the postmaster and go to Laplata the next day. Goodman used a one man, two wheel cart pulled by one mule to make the deliveries according to Allred. Goodman made the trip once a week.

Quite a few arrowheads have been found around the old post office. Also a small girl was buried near the old post office. Though the location of the grave is not definite, a wooden shaped cross was found near the cave by Fowler's sons.



These arrowheads were found near the old Dean Post Office site on the H.D. Fowler farm 10 miles south of Wildorado in Randall County. The post office was open from 1892 to 1899.

Going somewhere? Or been? The Canyon News wants to know about it — and so do its readers.

WTSU Basketball Gains 25pts. Per Game Player

Frank Stingo, who averaged 25 points per game through a three-year varsity career at Fairmont, W. Va., High School, has signed a national letter of intent to play basketball at West Texas State University.

The 5-10, 155-pound Stingo was a second team Class AAA all-stater as a sophomore and was a first team Big All-State selection (from all classes) both his junior and senior years.

Stingo scored 671 points this past season in 21 games for a 31.9 scoring average to lead the state in scoring. He hit 49 per cent of his field goal efforts this past year and 82 per cent of his free throws.

As a junior he tallied 484 points for a 23-point per game average. He connected on 43 per cent of his field goal attempts and 85 per cent of his free throws. During his sophomore season he scored 451 points for a 20.4 average. He scored on 41 per cent of his field goal attempts that season and 79 per cent of his free throws.

Following his sophomore year Frank was named to the All-County and All-Big Ten Conference teams and was a second team all-state selection in Class AAA. Fairmont had a 13-9 record that season and followed with 14-7 and 11-10 seasons. Stingo was the team's lone senior this past season.

Following both his junior and senior seasons Stingo was named Player of the Year for the county and the Big Ten Conference. He was a Big All-State team selection both years. He was an honorable mention All-American pick his junior year.

"Frank is a great pure shooter and an outstanding ball handler against pressure," said Fairmont coach Bill Reppert. "He always had fine leadership ability and super desire, but that really came to the front this year as he was our only senior. He was our team captain this past year."

In addition to his outstanding basketball record in high school, Stingo was also a standout in football and baseball.

In football this past season he led West Virginia high school players in passing — throwing 21 touchdown passes. He completed near 60 per cent of his throws and was contacted by over 100 colleges in football, including Tulane and Louisiana State University. He was a regular quarterback at Fairmont for three years.

Until this spring he was a starting shortstop for the Fairmont High team. He will pass up baseball this spring to play in a trio of high school all-star basketball games.

"Frank received over 200 contacts from colleges in basketball," said coach Reppert. "Among those schools were Notre Dame, North Carolina State and Maryland."

The son of Mr. and Mrs. Frank Stingo Sr., maintained a 3.58 grade average in the classroom.

Egg Hunt Winners Are Named

A Lewisville, Tex., girl found the most eggs Sunday afternoon during the annual Veterans of Foreign Wars hunt in Conner Park.

Terri Abbott collected 99 eggs during the hunt.

Other prizes awarded by the local post were:

Five Years and Under — B.J. Chester of 1106 Creekmere, first prize; Pauline Romero, Amarillo, second prize; Timothy Brewer, 1704 7th Ave., third prize, Monty King, Amarillo, $10 egg.

Six to 10 — Mark Johnson, 3303 Linda Lane, first prize; Darrell Rawlings, Canyon Creek Apartments, second prize; Angie Melber, 1407 Taylor Lane, third prize; Jeff Prichard, Richardson, Tex., $5 egg.

11 - 15 — Patsy Thomas, 2011 5th Ave., second prize; Nancy Walling, 1417 Creekmere, third prize.

LeRoy Hutton is post commander of the local Lucius Penick Post 5681 of Canyon.

WTSU Host Track Meet

West Texas State hosts five teams here Saturday for the fourth annual West Texas State University Invitational Track Meet.

Texas Tech, Wayland Baptist College, Lubbock Christian College, Southwestern Oklahoma State and New Mexico Highlands University will join the Buffaloes for the afternoon meet.

Field events start at 12:30 p.m. and the running events start at 1 p.m.

Coach Bob Kitchens' Buffaloes have standout field event entries. Among those strong entries are weight men Dennis Briggs and Marvin Self, vaulters Mike Walker and Tommy Humphries, high jumper Gary Six and long jumper George Fuller.

Sprinter Alvis Wright has been one of the Buffaloes' more consistent athletes this spring. His slowest 100-yard dash time has been 9.7. He has a wind-aided 9.3 and has run several 9.5 clockings.

Hurdler-high jumper Terry Penn, a freshman from Odessa, has been another fairly steady performer. He has a 14.2 clocking in the 120-yard high hurdles and has cleared 6-6 in the high jump.

Freshman Rick McGuire, a fairly steady athlete in the relay events, has a 21.6 time in the 220. Larry Marlar, who ran with McGuire at Pampa High School last spring, ran a 49.1 relay leg for the Buffaloes last weekend in the Texas Relays.

Briggs had the best effort among Buffalo athletes entered in the Austin meet. The Seminole senior threw the discus 172-7, which is his best effort this season. He threw 183-10 last year for the school record.

Fashions, Salads For Canyon Dames

A salad luncheon and showing of new fashions for spring and summer will be held at 12:30 noon today, Thursday, by the Canyon Dames.

The meeting will be at the Episcopal Center, 2516 4th Ave., and will feature fashions from Jean's of Canyon with Jean Wright as narrator.

Modeling will be various club members. Directing the program will be Janet Hand.

the gift that starts your home...
a beautiful Lane Love Chest.

Through the centuries they have been called marriage chests, bridal chests, dowry chests, hope chests, sweetheart chests, love chests. Whatever the name, the tradition has lived on growing more beautiful with each generation. Today it is steeped in romance, nostalgia and legend. Could there be any lovelier way for a girl to get something going for her future family than with "the gift that starts the home"? Then pass the word to a loved one looking so hard for a graduation gift for you.

Young Streakers Make Dash Of Painting

By MILDRED TURNER

WE HAD THIRTEEN streakers in the park Monday. I was supposed to be raking leaves, hauling and burning but kept watching those streakers out of the corner of my eye.

THEY WERE AGED seven up and did they ever get with it!

MOST OF THEM were teenage boys and girls but there was one lady, their leader. With paint brushes in hand they painted everything in sight, the trash barrels, tables and benches, pop box, even the tree trunks are circled around the bottoms. They put the first coats on; thus the streaking but the men are expecting to put on the second coats.

EVERYONE HELPED PAINT, several helped trim trees, carry wood, stack rocks, getting ready for the big event: The Country Fair, April 20, this Saturday!

KATHY FLEMING DID great on the posters, have heard many compliments. She and Paul are also working on swings. The Moores, Inmans and many teenagers are helping with the cleaning or painting in the park.

NELL MOORE, TELEPHONE chairman, has all her committee sweating over hot phones, telling the ladies to bring lots of beans, corn bread, cakes, ice. Dora Waldrop will run the record player and help anywhere.

THE EDWARDS AND the board members are gathering donations. Jack Inman is in charge of the piano. Janet Turner will help with the cake walk. Lena Edwards is going to help Lorain Inman price "the goodies." Mr. Scott, Mr. Inman, Mr. Edwards and Greg Moore so far are helping as M.Cs.

WE NEED ANOTHER clown or two, two more witches for the afternoon session. The cake walk will be at 4 p.m.

LIVE ENTERTAINMENT WILL be at ten, two and evening.

IF IT IS raining we will go to Dora's large barn, with directions posted.

WE ARE HOPING to have tours of the canyon on the Webb's three wheeler (have to check on that). Nell is suggesting the persons doing crafts donate one for sale, something you made last year. Her number is 622-0771. This is to be a huge garage sale and from what I've heard I believe it. There will also be native plants, trees, hanging planters for sale.

THE PUBLIC IS invited. The gate will be open all day Saturday.

BY THE WAY, the young people doing songs, dances, and musicals met Tuesday at my house and are doing good. We will practice again Thursday in the park, get off the bus there if you wish. I will be there with record player.

SOME OF THE young people told on their parents so am expecting you to volunteer and do your bit in the entertaining field.

PAUL FLEMING WILL dance with any lady who will donate $2.00 to the fund. So get lined up ladies!

JACK INMAN WILL stand on his head for $50.00 put in the plate and I will dance for $50.00 donated to the Palisades cause! I feel safe about it but I said money laid is money paid so if you put in a quarter and the full amount is not reached you just lost your money and I don't dance.

REMEMBER IT IS for a worthy cause so don't be sad about it! The young people are just great about helping in any area needed.

NO MATTER WHAT you wear you will be in style. I may wear a long dress and bonnet. Come as you are if you wish. We are hoping for horse shoe games and a few table games also.

MOST OF THE talk this week has been Country Fair. However, Mrs. Vaughn's brother Dub Robinson and wife Clesta are the ones building at the Y. They will have a residence and store there. This may come in handy with the price of gas rising.

THE BOOTHES ARE building a tennis court. I heard that several neighborhood kids are wanting to dash out and buy tennis rackets!

SAY, NO ONE has called to say what you did Easter or over the holidays. The girls helped me paint GG's room, hall and two bath rooms. They went with a group of young people to the Palo Duro on Saturday. I must say you may have tried to get me but please keep trying. Mama Turner is not doing well and I was in the park a lot of the time Monday.

THE SUNRISE SERVICE in the Palisades Park was "crisp" and beautiful. Mary Oliver and the piano were up in Inman's pickup for the worship service. The birds joined in the worship also. Bro. Seright brought the familiar story of the death and resurrection of Jesus Christ.

AS I LOOKED around into the rosy eager faces of my neighbors I saw faith, hope, reverence and excitement there. I am glad you're my neighbors, friends. Although these things happened to Jesus over nineteen centuries ago, the story has never become dull or old and we are earnestly awaiting the time when He shall return.

M.T. 622-0701

April 20th! Country Fair is in the air.

Friends and neighbors, see you there.

Boy Injured In Accident

A 14-year-old Randall County youth was critically injured Monday in an accident on his family farm southeast of Canyon.

Ben Abbott was pinned between a pickup truck and a metal granary building on the farm several minutes before he was freed.

He was taken first to Neblett Memorial Hospital in Canyon and then to Northwest Texas Hospital in Amarillo.

He remained in critical condition Wednesday at the hospital.

State Record Set At Women's Meet

WTSU women's track team placed second with 144 points in the Women's Track and Field District Meet at the WTSU track Tuesday. Ranger placed first with 270 points. Texas Tech was third and Tarleton State was fourth.

One new state record and two WTSU women's track records were broken during the day by Billie McClellan. McClellan ran a 5:47 mile to place first and set the state record. She set a new record in the two mile with a 13:07.6 time. The other record she set was in the 880 yard run.

Those who will represent WTSU in the track events at the state meet are: McClellan in the 880 yard run, mile run and two mile run; Trenda Burges, who placed third in the 880 yard run; Verna Stagner, who placed second in the 200 meter hurdles with a time of 31.9, and third in the 400 meter hurdles with a time of 1:12.5; Gerrie Russell, who placed second in the 440 yard dash with a time of 63.3 and second in the high jump with a jump of 5 feet 2 inches; and Mary Elliot who placed third in the 440 yard dash and third in the high jump. Debbie Bray will also represent WTSU in the mile and two mile run.

In the field events, Bennie Weeks will represent WTSU in the javelin throw. She had a throw of 106.7 feet in Tuesday's meet.

Golf Team Enters Friday Competition

West Texas State's golf team will compete Friday and Saturday in the Eastern New Mexico University Invitational. Friday afternoon's round will be played in Portales and the Saturday 18-hole round will be in Clovis.

Only two of Buffalo coach Vern Farquhar's players will not have to qualify for the six playing positions.

"Andy Lawler and Borger freshman Richard Wolf won't have to play practice rounds this week in order to qualify," said Farquhar. "All other players must play Tuesday, Wednesday and Thursday for the other four spots."

Lawler and Wolf were the low shooters in last week's Abilene Invitational for the Buffaloes, who placed eighth in the 12-team field.

Teams entered at ENMU will be the host Greyhounds, Hardin-Simmons University and New Mexico Highlands University.
